BRACELET SIZING GUIDE

INSTRUCTIONS

- 1 Print out this page at 100%.
Do not scale to fit.
- 2 Cut out the sample band and wrap it around your wrist, keeping the end with the arrow on top.
- 3 Make sure the band lays flat against your wrist.
- 4 **CUSTOM FIT:** Adjust the band to how you want to wear your bracelet (tight, a little loose or very loose). Include in your order note which numbered white line the black line / black arrow lines up to. If the black line / arrow is between notches select the next line up.

ADJUSTABLE READY-TO-WEAR: Pick the size the arrow is pointing to, and you're done! If you are on the line between sizes, pick the larger size.
